General Manager This role leveraged my strengths as a seasoned hospitality industry professional. Key responsibilities included: Placing Orders, Store Management, Staff Management, Bookkeeping, Filing, Social Media Marketing, Event Management, and On-the-ground events.

Reason for leaving - Venue closed

Social Media and Online Growth Specialist

This role first exposed me to intensive collaboration with other departments. Key responsibilities included: Social Media Content Curation, Blogging, Reporting, PPC (Social Media), Media Liaisons, Google Analytics, Sourcing and Investigating Online Marketing Opportunities, Generating Online Marketing Strategies, Branding and Editing Images, and Market Research.

Reason for leaving - Retrenched

Social Media Specialist

Leveraging my experience from establishing the Social Media Department at IncuBeta, I decided to launch my own company. As a one-man team, I had to learn and adapt quickly to meet client needs. Key responsibilities included: Training, Content Creation, Image Sourcing and Editing, Reporting, Creating Budgets, Creating Proposals, and PPC (Social Media).

Reason for leaving - Stability

Social Media Manager

Independently established the Social Media Department for one of Africa's largest Google Resellers, which has since expanded to nearly 100 members and operates globally. In addition to building the department, I managed PPC for major clients, including SAB. Key responsibilities included: Social Media Content Creation, Creating Social Media Strategies, Community Management, Copywriting, Compiling Quotes and Proposals, Creating Crits, Invoicing, Reporting, and PPC (Social Media).

Reason for leaving - Pursued opening own business

Junior Copywriter

Served as the Copywriter for a proxy of one of Africa's largest ad agencies, TBWA. Being part of such a prominent company allowed me to work on major brands such as Appletizer and Huawei. Key responsibilities included: Copywriting, Proofreading, Social Media Content Creation.

Reason for leaving - Retrenched

Social Media Consultant and Copywriter

In my first paying role within the field, I quickly learned to manage multiple accounts simultaneously, with a minimum of ten accounts under my responsibility at a time. Key responsibilities

included: Social Media Management, Copywriting, Editing, Blogging (WordPress), PPC (Social Media), Compiling Social Media Strategies and Proposals, Reporting, Branding, and Basic Image Editing.
